Letters to the Editor

Opinions expressed in this publication (particularly on the letters pages) are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor

I would like to clarify the points raised in Margaret Sellars' response to my letter, September edition BHN.

I thank Margaret for the history lesson and for searching the minutes for evidence of my assertion that no additional council tax money should be used for the refurbishment of the village hall over and above the £760k allocated from the Tesco account. We all know that everything that is said at a meeting is not minuted. It is therefore a natural defence to believe that because a statement is not minuted, it was not said.

Yes, I did make a suggestion that the Parish Council take out a loan to replace the Barber's Shop with a new small office block which at that time had the potential to be leased to a well known estate agent, paying an annual rent of some £20-25k. My suggestion was based on tangible assets of bricks and mortar, ie a new building which the village would own, and intangible assets of rental income.

Margaret writes that in the interest free loan agreement to the Village Hall Management Committee, a clause is written in "to the effect that if the Management Committee defaults on repayment the amount outstanding at that time is due immediately." This begs the question -in the event of default on repayment, where will the money come from to immediately repay the outstanding loan amount? The building is not owned by either the VHMC or the Parish Council.

I note from Margaret's letter that if the loan is not granted, then the village hall refurbishment will have to stop. It appears that the Parish Council have been morally blackmailed to provide this loan to meet the overspend. Had the PC refused the loan, they would have been blamed and seen as the bad guys.

A last point, it now appears that the PC no longer has any intention of taking out a loan for the village green drainage work.

Yours faithfully
Michael Boughton-Fox

JOTTINGS FROM YOUR COUNTY COUNCILLOR

Guided Busway

The Contract has now been awarded to Edmund Nuttall Ltd. Their programme is to establish a site compound at the Longstanton Park and Ride site this Autumn and commence construction between Longstanton and Cambridge early in the new year. Construction south of Cambridge and between Longstanton and St Ives will start later in 2007. Before construction can commence detailed planning conditions need to be discharged and design work is now underway to enable the discharge of the conditions for this first section of work. To aid the discharge, Local Liaison Forums are being established to act as informal consultative groups in the preparation of the detailed proposals. Two Forums have been established for the Longstanton to Cambridge section of the route and their first meetings were held on 13th and 18th September.Land purchase has commenced with the issuing of Compulsory Purchase notices to the landowners between Longstanton and Cambridge. This is a three month process, which will result in ownership being transferred in November. The first land has also been purchased by agreement. This is for the Landscape and Ecological Mitigation Area adjacent to Over Cutting, which will allow work to start on creating the new habitat for Grizzled Skipper Butterflies and other invertebrates this autumn.

A series of local exhibitions, similar to those held in the spring, are being planned for later this year. These will focus on the construction programme.

Highways

The summer has been a particularly busy time for the Highways Directorate and has stretched resources significantly. A key milestone was the completion of our first year with the Contact Centre. This has proved to be very successful with some 29,000 calls received during the year. The new Highways Service Contract went live on 1st September and work to take advantage of efficiencies that may be available in the new arrangement continue. A public launch of the new contract is planned for the end of the year when we can start to demonstrate some of the changes that have been made.The very dry summer has led to increased damage to the highway network and we will be bidding for funds to DfT to help address this problem.

Record Levels of Recycling

For the first 3 months of this year Cambridgeshire recycled a record 51%. 108,477 tonnes of waste were produced from April to June and 55,258 tonnes of that were recycled. Leading the way was Huntingdonshire District Council which achieved a recycling rate of 55%.

Climate Change

The themes for next year's government Beacon Scheme will include climate change. The panel advising government on the beacon themes recognized the important community leadership role of local government on this, and the importance of innovation and empowerment in promoting action. Climate change is the one area of the council's work which should be considered for submission for Beacon status in next year's scheme. Staff across the Council have been invited to put forward examples of good practice in reducing greenhouse gas emissions or adapting to climate change to help build a case.

Consumer Direct on TV

From end of October, residents will be able to view the contact details for Consumer Direct (and Cambridgeshire Direct) through their TV's. They will also be able to complete a form and tell us about a rogue trader or scam as well as make a general enquiry. It is a set system at the moment but if it goes well, we will be able to add more functionality.

Bar Hill Library and Post Office

Working in partnership with the Post Office and Bar Hill Parish Council, the Library Service's work to install a Post Office in Bar Hill Library is now well advanced. Building costs associated with the Post Office installation are being met by the Postmaster, Hari Parekh and Bar Hill Parish Council have kindly agreed to fund CCTV installation, for the increased security of both staff and customers. The new Post Office plans to open to customers at 9.00 am on Thursday 5th October, with an official launch on Customer Appreciation Day, Saturday 7th October – part of this year's Customer Service Week events in Cambridgeshire Libraries.

Social Care Support Services

County Council services which provide support for adults with learning disabilities have received high ratings from Government Inspectors. The Commission for Social Care Inspection (CSCI) visited the supported living house at King's Hedges, Cambridge in June and judged the support and services provided 24/7 by staff as "excellent," the highest possible rating awarded by CSCI. Alder Close in March was given a rating of "good". Residents using the King's Hedges scheme rent their accommodation from a housing association and receive personal care and support from staff provided by the County Council. CSCI inspected the quality of the accommodation and facilities – including specialist equipment - staff training, financial management, medication regimes, health and safety, and measures to ensure that the care and support provided fully met the individual needs of the service users. 20 Alder Close is a 5 bedded short term care home for adults with learning disability. CSCI noted that the unit offers good care and support ensuring that service users are assisted to maintain their independence, choice, lifestyle and programmes of activity within the community. These schemes are really making a difference to lives and we are delighted that they have received the recognition they deserve. Congratulations to all the staff involved in making them a success.

A letter from Hayes the guide dog puppy

Hi everyone

By the time you read this letter I will be going on to Guide Dog College to learn how to be helpful to my new blind or partially sighted owner. I will miss Granddad and Grandma (that is what I call John and Diana) but I want to be a really good Guide Dog.

I thought you would like to know what I do in a typical day. I get up at 7.30 am when I hear Grandma and Granddad getting up, so I am all ready to greet them when they come downstairs. I am always very excited to see them and take my favourite toys to say hello, then they let me out into the garden. I am very pleased as I need to do what dogs need to do after being inside for so long. I sit quietly while they have their own breakfast. As soon as grandma pours out her cup of tea I know I am going to get my own breakfast so I rush over to where my food tin is and wait until she measures out my food. When she puts it down for me I have to wait until she blows the whistle to say it is ok to eat. I am very polite so I wait until she sits down at the table before I start eating

After breakfast we go up to the field between Bar Hill and Dry Drayton where I often meet my doggy friends for a game, if there is no one about grandma throws my Kong so I can chase it and have fun. When I am tired we go home and I have a nice sleep while Grandma does the cleaning (it is such a waste of time because as soon as I wake up I make it all nice and messy again).

After my snooze we go to Tesco so that I can practise everything I have learnt. I can find left, right, straight on or go back; I can find the lift when Grandma tells me to. Sometimes I get fed up and am a bit naughty; after all boys do not like shopping as much as girls, then Grandma gets cross and tells me off.

In the afternoon we practice stays and waits then we get in the car and go to the park and ride so that I can travel on the bus which is great fun as I watch all the people getting on, sometimes they go up stairs and disappear but grandma will not let me follow them to see where they go. Then the bus stops and some of them come downstairs and get off again. We some times go to the library or to Lloyds Bank. I have discovered that if I bark very loudly in the bank it makes lovely echoes. I don't know why Grandma gets so cross, as it is a lovely sound and everyone looks at me. We walk round the town before we get back on the bus. It is full of lovely smells but Grandma will not let me explore them.

When we get back it is time for Granddad to come home and I get very excited and find my most favourite toy to greet him with. Then we go for a walk while Grandma makes supper. After supper we all go into the sitting room or study to watch TV or work on the computer. I am supposed to lie down quietly but it is very boring so I take all my toys and put them on Grandma and Granddad's knees to tell them I want to play. If that does not work I sit in front of the TV so they have to look at me and not the silly programme. When it gets dark we go for a nice walk. If it is warm I often see hedgehogs running around but I am not allowed to chase them as they are very prickly. Sometimes we see strange little creatures, which sit quietly then give great big jumps. I licked one but it tasted disgusting, now I just watch them. Granddad said they are called frogs. When we get home it is bedtime. I am glad to have a sleep as there are so many things to see and I get very tired. Goodnight everyone. Happy dreams.

ENGLISH TOURING OPERA

at St Andrew's Church

Monday 16 October, 7pm, St Andrew's Church, Swavesey. The Baroque Voice Consort, featuring soprano Rachel Nicholls, counter-tenor Jonathan Peter Kenny and bass-baritone Andrew Slater. Handel and Purcell were two giants of English song in the 17th and 18th Centuries, composing some of our most loved tunes. This recital with commentary unearths Purcell's exquisite airs and wonderful duets from Handel's greatest operas—about love, passion, jealousy and death, in both tragic and comic veins.

We are delighted to welcome English Touring Opera to St Andrew's Church as part of their Baroque Festival in Cambridge. The festival kicks off in Swavesey with the Baroque Voice Consort, after which five baroque masterpieces will be staged at the Cambridge Arts Theatre from Wednesday 18 until Saturday 21 October.

Tickets £12/£8, available at Swavesey Village College reception. Contact Gillian, 01954 234476 for tickets and/or information.

Lost

A very tearful little girl came in to the office with her mother a couple of weeks ago after her older brother had thrown her teddy over the Tennis Court fence (it has Guardian Angel written on it). Although I emailed the Tennis Club, by the time they arrived it had already been picked up and it would be very much appreciated if you have found this teddy, please hand in to the Parish Council Office. It would make a little girl very happy!

Street Numbering Signs

Bad news on the street numbering signs (and other signs needed round the village). The County Council have now cancelled their contract with Ringway Services and are now employing Atkins to do all their county work. Unfortunately, unlike Ringway, they do not have a sign shop and I will now have to seek quotations for the signs elsewhere. I am also assuming that the signs will no longer be paid for by the County Council but by the Parish and this could make a big difference to our budget for the future.

Parish Councillor Vacancy

We are very glad to announce that two new Councillors were co-opted on to the Council in July (Mrs Sandra Spence and Jon York) but we still have one vacancy to fill. If you are interested in becoming a Parish Councillor, please contact me, in writing, at the Parish Council Office and I shall then send you details of what is expected of a Councillor.

The next monthly Parish Council meeting will be on Thursday 19th October at 7pm in the Parish Council Office.

So far this year the Beds, Herts, Cambs and Hunts branch of the Poppy Support has made over £333,000 worth of grants, for items including: helping pay utility bills, clearing rent and council tax arrears and general debts, providing white goods and needed household furniture, specialist items of medical equipment, disability aids including electric wheelchairs, food, clothing, property repairs, respite care breaks, and more. News from Cambridgeshire Police

New legislation for child car restraints

Since Monday (September 18), new legislation means that anyone carrying a child under the age of 12 or 135cm in height in their car will need to use approved child restraints such as a booster seat.

The legislation has been introduced in a bid to reduce child injuries and casualties on the road by up to 2000 a year nationally. The laws apply to any child carried in any car, even if you don't have children of your own but give someone else's child a lift.

Children over the age of 12 or 135cm tall (approx 4ft 5in) can use an adult belt.

Children under the age of three must continue to use a restraint appropriate for their weight in any vehicle (except a taxi if no restraint is available).

There are a few exceptions which allow children to travel in the rear and use an adult seat belt:

In a taxi, if the right child restraint is not available;

For a short distance in an unexpected necessity, (for example emergency journey to hospital) if the right child restraint is not available;

Where two occupied child seats in the rear prevent the fitting of a third child seat.

An additional reminder that rear facing baby seats must not be used in a seat protected by a frontal airbag unless the airbag has been deactivated.

Further information is available on the Department for Transport web site.

PLEASE NOTE

Recently there have been a number of Distraction Burglaries on the Ely Sector whereby the offenders have been posing as Police Officers to gain admission to people's homes. As I have said so many times they will use every pretext so be on your guard, and please remember to look out for the elderly and less able within our communities. The distraction method where offenders pose as police officers, or staff, and claim to be pursuing criminals is relatively uncommon in our area. Residents should refuse entry to any person purporting to be from the police unless valid photo identification can be produced.

Dwelling Burglaries Do's and Don'ts

Do

Lock all your doors and windows when you go out, particularly at the back - a popular entry point for burglars.

Fit British Standard five lever locks to doors and use a deadlock on front and back doors.

Keep your shed and garage locked - your tools could be used to break into your home.

At night, close the curtains and leave a light on when you go out.

Illuminate dark areas around your home - burglars don't like the light.

Make sure your contents are fully insured.

Don't

Leave door keys in hiding places - burglars know them all.

Leave a window open a few inches for the cat to get in - burglars can get in too.

Leave ladders lying around. If you have to keep them outside padlock them to something secure.

Leave curtains and blinds drawn in the daytime - they attract thieves.

Leave "back soon" notes on display. Burglars love a written guarantee that your home is empty.

Forget to postcode your valuables.

The chance of having valuables such as videos, cameras etc, stolen is reduced by marking them with your postcode, which makes them easily traceable. Every year hundreds of thousands of pounds worth of property is recovered by the police but not returned to its owners, simply because they cannot prove it legally belongs to them. Make your property easy to identify - use an ultra violet pen or engrave your postcode and house number on all your belongings. If your property was stolen could you describe it in detail or provide the serial numbers? Keep a detailed record of valuable items including serial numbers, make, model and colour. Take colour photos of jewellery and get it valued.

FINAL THOUGHT

Did you know...?

Windows and doors are left open in three out of ten house burglaries.

96 per cent of ALL reported crime involves property.

PLEASE LOOK OUT FOR THE WELFARE OF THE ELDERLY AND LESS ABLE.

Calling all Scout's/Scout leaders old and new did you enjoy yourself while you were there. Would you like to come and share the things you did when you were a scout with the kids we have now and teach them some of the basic scouting skills you enjoyed so much.

Over the summer holidays the scouts have been having fun our last night was spent at Spy Masters with chips after which was great fun so much so we are planning another visit soon.

The summer camp this year was at Huntington Race Course does not sound far but there were Scouts and Guides from all over Europe. The day's would start early as the activities would start at 9am and finish at around 5pm some of the activities we did were climbing, sailing, cannoning, caving, stilt walking, crafts, golf, pioneering (we made a swing bridge), rafting, shooting, archery and lots more. We had a day trip chosen by the scouts to London and round all the museum's it was a long day as it started at 8am. There were activities in the evening plus disco every night. A great time was had by all.

The Cubs just before the end of term had the yearly weekend District Cub Camp At Abington. Over the course of the weekend they had a trip to Duxford where they gained there Air Activities badge. They also had a flying display laid on for them while they were there. A great time was had by all.

We are planning a lot for the coming term for all sections we will be working on the Global badge among others. And we will try and organise a camp for all sections to attend later this year.

If your son/daughter is interested in coming along and having a look please feel free to do so.

As most of you will have seen the Scout hut is not in good health plans are afoot in order to change this in the coming future (about time)

If you feel you can help in any form as part of a team in sorting out the funding or just want to lend a hand in the weekly meetings then please contact Janet Kempson GSL 01954 780778 or Tracy Seekings Scout leader on 01954 200918

The Friends of the Rosie raise money to buy the medical equipment that Addenbrooke's and the NHS does not provide.

Please send a donation via our website at www.rosieinstitches.org.uk or send a cheque made payable to Friends of the Rosie to

Mr D Sanders, 145 Gwydir Street, Cambridge, CB1 2LJ

- By enjoying a drink with biscuits whilst awaiting your appointment at the Rosie.
- Buying one of our hand-made items (see our selection of hand-made toys and clothes up to age 4 at the Tea Bar in the Rosie Outpatients).
- By helping serve in the Tea Bar.
- Visiting our large stall at Addenbrooke's Outpatients, or one of our small displays in Addenbrooke's Food Court on the first Friday of every month, in the Breast Screening Clinic or Clinic 5 in Addenbrooke's, and at Hackers Farm Shop in Dry Drayton.
- By donating wool and other craft materials.

We have a stall at Addenbrooke's Outpatients on 18th September, 18th October, 17th November, 18th December.

Avril and Jo would like to thank those friends that have already made a donation to our supplies, and we will continue to welcome donations of items for sale, wool and ribbons etc at 111 Hillcrest or 11 Almond Grove.

Thank you for your support in whatever way you can.

Cricket Club

Scott Stanford blasted his way into Bar Hill's record books by hitting 119, the highest league score in the club's history, in the final match of the season. The 17-year-old hit five sixes, including one to bring up his century, and followed up with three wickets as opponents Cottenham II were thrashed by 130 runs. For the record, Bar Hill totalled 218 for 5, with Dave Fletcher adding 27, before the visitors were dismissed for 88, with Martin Cullum also taking three wickets. Unfortunately, Stanford's knock could not clinch promotion for Bar Hill, who missed out to a good Needingworth side. The crucial defeat had been against Histon III, who beat Bar Hill by 51 runs, despite Stanford this time doing the business with the ball. His 6 for 19 dismissed Histon for 96, but Bar Hill slumped to a disastrous 45 all out in reply. With Abbots Ripton conceding their match, Bar Hill finished with a record of 10 wins, three defeats and three abandoned games.

The second team ended their first season with a record of two wins and eight defeats, although several of their games against weaker sides were abandoned. Their penultimate game brought defeat by four wickets to Wimblington II despite a first league 50 from Martin Haslop. The match also featured the unusual incident of an opposing batsman given out handled the ball. And the final game saw a seven-wicket defeat by St Ives IV, who clinched promotion as a result. Sam Wilson (42) and Jim Neal (37) dug Bar Hill out of a hole to enable them to post 151, but St Ives' batting proved too strong.

The friendly team ended their campaign with a win against Little Shelford and a defeat against Camden. Little Shelford were bowled out for 147, with Craig Driver picking up four wickets. He then followed up with 47 in Bar Hill's reply, but wickets fell steadily and it was left to Martin Cullum (23 not out) to guide them home with one wicket left. Cullum and Stanford were again among the wickets against Camden, with three each in an innings of 199. Mark Thompson, Stanford and Tom Levitt got Bar Hill off to a good start with knocks in the 30s, but they subsided to 155 all out.

The club's annual meeting will be held on Wednesday October 11 at the village hall. All members welcome – see our website at www.barhillcricket.org.uk for details of agenda items.

Look out also for a quiz night in the Sports & Social Club in the coming weeks.

Once again, thanks are due to the Sports and Social Club and Andy's Kars for their ongoing sponsorship.

SPARC Building, Gladeside
Tel 07957 572653 During Club hours

We are situated in a purpose built building adjacent to the School, with direct access from the playground.

We provide Childcare for children aged 4-11 in a safe and caring home from home environment, with trained and experienced staff to care for them.

Our sessions provide the children with a wide range of activities from pool to computer games, dressing up to craft activities and lots more or if they wish they can chill out on our comfy sofas. We are also able to use the safe environment of the school playground for our many outdoor activities.

During the holidays we have themed activities, which the children are involved in choosing, as they are with many other issues, such as outings etc - as it is their Club, they even chose its name.

The children are given a snack e.g. pasta, filled pittas etc, followed by a biscuit and fresh fruit. We also make birthday cakes to celebrate each child's birthday, which are shared.

We are registered with OFSTED, which enables parents who are eligible for Working Families Tax Credit, to claim up to 70% of their childcare costs.

We also accept vouchers from the many schemes where the childcare costs are taken out of parents wages before they pay tax or national insurance, which also saves money.

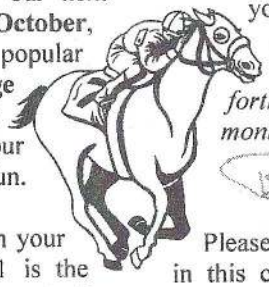
BAR HILL F.C.

By the time you read this, our season will be well under way, and hopefully all three of our teams (1st's, 2nd's & 'A') will be continuing last years successes. Please contact us if you are interested in playing for one of our successful teams. Please do come along to the village green as there is a home game most Sunday mornings.

Bar Hill F.C.
Adult Paul Prime 203175
Adult John Houston 200951

Please do come early for our next major event on the **14th October**, which is one of our ever popular **'Race Nights'** at the **Village Social Club**. The first race is **at 8'O'Clock** so take your seats early to join in all the fun.



TEAM PITCHES

Just so you don't get lost on your way to the games: Pitch 1 is the small mini league pitch close to the social club, pitch 2 is by the spine path past Partridge Drive, pitch 3 is between pitch 2 and the adult pitch, and of course the School pitch is on the school field at the end of Gladeside. Please visit our website for a detailed map.

TESCO VOUCHERS

As one of the largest sports clubs within the village, we are always in need of new equipment. So again this year we are collecting the Tesco vouchers for sports. If you have any of these, and don't know where they would be best used, then please do consider us, as I can assure you they will be put to the best of use. Our Secretary Paul Neal will gratefully accept these on behalf of the club, so just pop them through the door of 35, Foxhollow, and we will of course let you know how well we fare.

Well that's it for this month. There will be more forthcoming fixtures in next months BHN!

BAR HILL PARENT AND TODDLER GROUP

Bar Hill Parent and Toddler group is a welcoming and friendly group set up to provide play and socialising for children 0-4 years of age. A committee of volunteer parents runs the group. We meet in the Octagon every Wednesday and Friday morning between 9.45am-11.15am. Each session is run by a session leader and provides a range of activities, which includes crafts, puzzles, imaginary play and a selection of outdoor toys. We provide refreshments and the opportunity to meet new people. We ask a small fee of £1.80 per child, £1.00 per sibling and up to a maximum of £3.00 per family or childminder.

Urgent help needed

The toddler group is a great way to meet other parents, socialise and generally have fun. However, the group is run by volunteer parents and we desperately need new volunteers to become committee members. To discuss how you can support the Toddler group please contact Kirsten 01954 200228.

Nick's Nature Notes

Imaging what she might have said to her family: "I'm just going to nip out and get some food, back soon", but the sow badger never did return to the sett. She was hit and killed by a vehicle on the ring road near Viking Way. After people telling me and phoning me, I moved her body into the undergrowth. About a week later, people again told me of a dead badger, this time near the Lolworth footpath. I had a look and it was the same one: something or someone had dragged or carried it to its present position. Again, I took photos for my records. The next day, people were telling me about a badger actually on the Lolworth footpath, would I take a look at it. I did, and to my horror, it had been burnt in a fire made from sticks. Person or persons unknown (to me) had built a fire and put the badger on it: how sad for the badger and whoever did this. Even in death, there was no dignity for the badger.

I hope the person/persons are pleased with themselves for carrying out such an act, and probably feel big in front of their mates. If anyone who witnessed this sad act and doesn't agree with what happened, they can call me on 07786 950684 and have a word in confidence about it.

Nick Richardson.

Not only will they help with the fundraising but hopefully they should be fun too!!!

Please see the list below of events - further details will be advertised each month through the Bar Hill News, the Octagon - the Church monthly magazine, and also the Church website www.barhillchurch.info and posters around the village.

Village Fete 2007

We hope that everyone enjoyed the Village Fete this year. We have had lots of positive feedback from villagers. Plans are starting now for the Village Fete 2007. We are hoping that this will be an even bigger event, as it will be the villages 40th Birthday. Whatever your thoughts on this year's fete we need your help to make next year's extra special. You do not need to be involved in a village group or the Residents Association to help out. For anyone that would like to be involved, there will be a meeting on Wednesday 25th October in the Parish Council Offices at 8.00pm. For more information or ideas please phone Kirsten on 01954 200228.
